

Trademarks Policy

I. PURPOSE

The purpose of this policy is to assist those who are authorized to use our trademarks to use them properly. This policy does not grant or otherwise transfer to anyone any license or right to use any of our trademarks for any purpose.

Unauthorized use of our trademarks, or trademarks that are confusingly similar, constitutes an infringement of our trademark rights. If you are uncertain as to whether you are authorized to use any of our trademarks, please consult our marketing office at +49 931 4972 0.

The words “we”, “us” and “our” mean Jaeger Medical GmbH and/or an affiliate of Jaeger Medical GmbH.

II. WHAT IS A TRADEMARK?

A trademark can be, among other things, a word, logo, slogan or color applied to an article. A trademark is used in association with goods or services to distinguish those goods or services from those originating from another source. A trademark is also sometimes referred to as a brand name.

III. OUR TRADEMARKS

Our word trademarks include but are not limited to: AUTOBOX, PURSOM, SOMMOSTAR, VMAX, SENTRYSUITE, VYNTUS, MICROGARD, JAEGER, MASTERLAB, APNOSCREEN, BABYBODY, JAEGER MASTERSCREEN, VIA sprint, OXYCON, MICROLOOP, COBRA, MICRO MEDICAL, MICROCAN, MICRODIARY, MICROMEDICAL, MICRORINT, PRINTERNOX, PULMOLIFE, SMOKE CHECK, JAEGER MEDICAL.

Our design trademarks include but are not limited to:

This list may be up-dated by us from time to time.

The equity represented by our trademarks has been built over many years. Our trademarks, such as our VYNTUS trademark, are recognized in many markets around the world and have become synonymous with quality and dependability.

IV. PROPER USE OF OUR TRADEMARKS

If you are authorized to use our trademarks, you must comply with the rules set out below. These rules apply to the use of our trademarks in advertisements, press releases, letters, memorandums, e-mails, trade show materials, marketing materials, articles, web pages, and any other materials regardless of the form.

A. RULES

1. Any reference to our products or services by their associated trademarks **MUST** be truthful, fair and not misleading.
2. **NEVER** use our trademarks to describe a product or service other than a product or service originating from us.

For example, the VYNTUS trademark should only be used to describe Jaeger Medical's pulmonary and cardiopulmonary devices. Use of our trademarks to promote or otherwise describe a competitor's products or services is not authorized and constitutes trademark infringement.

3. NEVER use our trademarks as a noun or verb.

Our trademarks must always be used as adjectives.

Improper Usage: Please install the SENTRYSUITE™ on our server.

Proper Usage: Please install the SENTRYSUITE™ software on our server.

4. NEVER use our trademarks in any manner that suggests they are your or another person's trademarks.

Do not combine or incorporate our trademarks as part of any other trademarks, trade names, or company names.

5. Our trademarks should always be set apart from other text.

The first letter of our trademarks must always be capitalized. The entire trademark should either be capitalized or bolded and/or italicized to set it apart from the surrounding text.

Improper Usage: We have been using the sentrysuite™ software solution for many years.

Proper Usage: We have been using the SENTRYSUITE™ software solution for many years.

6. The appropriate trademark symbol ® or ™ or * should be inserted immediately at the end of our trademark.

The ® symbol should only be used if the trademark is registered in the jurisdiction where you intend to use the trademark. The symbol * is used in jurisdictions where ® or ™ is not recognized. Please consult our marketing office at [+49 931 4972 0](tel:+4993149720) if you do not know which trademark symbol you should be using.

7. Trademarks that incorporate a design must be reproduced in the same manner as depicted on our products and/or advertisements.

If you require assistance on how to properly reproduce the design (i.e. font size, color etc...) please contact our marketing office at [+49 931 4972 0](tel:+4993149720).

8. A proper attribution notice should be used for our trademarks.

You should include a notice (i.e. footnote) where our trademarks appear indicating that they are "trademarks or registered trademarks of Jaeger Medical GmbH or an affiliate of Jaeger Medical GmbH". In some cases, marketing may require you to add "used under license" at the end of the attribution notice.

You should consult with our marketing office at [+49 931 4972 0](tel:+4993149720) for assistance with attribution notices.

We reserve the right to make changes to the above Rules from time to time and to impose additional rules / requirements by written agreement or otherwise.

If you are a distributor, your agreement with us may impose additional rules and requirements.
