

# Celebrate RC Week 2026 with Jaeger Medical!

Join our speaker  
**Margriet Kaldenbach**  
Sr. Global Clinical Manager  
Pulmonary Function Testing  
Jaeger Medical  
The Netherlands

Webinar #1

## Single Breath DLCO in Daily Practice

### The why behind quality control, corrections, and influencing factors

This webinar provides a practical, clinically focused review of single breath DLCO testing starting with the basic principles of pulmonary gas transfer. It explores the rationale behind key quality criteria and how measurement physiological and environmental factors can influence DLCO. Practical examples will illustrate why and when adjustments are needed and how these factors affect the clinical relevance of reported results.
